# 3.3 "Cram-Down" Claims – Request for Valuation of Collateral and Modification of Undersecured Claims. (Check one.)

□ **None.** If "None" is checked, the rest of § 3.3 need not be completed or reproduced.

The remainder of this § 3.3 will be effective <u>only</u> if there is a check in the box "Included" in Part 1, § 1.1, of this plan, above.

☑ Pursuant to 11 U.S.C. § 506(a) and Local Rule 3012-1, the Debtor requests that the Court determine the value of the collateral securing each of the claims listed below. For each non-governmental secured claim listed below, the Debtor proposes to treat each claim as secured in the amount set out in the chart column headed "Est. Amt. of Secured Claim." For secured claims of governmental units, unless otherwise ordered by the Court, the value of a secured claim listed in a proof of claim filed in accordance with the Bankruptcy Rules controls over any contrary amount listed below. The value determined will be amortized and paid over the life of the Debtor's plan to satisfy the secured portion of the claim. The portion of any allowed claim that exceeds the amount of the secured claim will be treated as an unsecured claim under Part 7 of this plan. If the amount of a creditor's secured claim is listed below as having no value, the creditor's allowed claim will be treated in its entirety as an unsecured claim under Part 7 of this plan. Unless otherwise ordered by the Court, the amount of the creditor's total claim listed on the proof of claim controls over any contrary amounts listed in this paragraph.

# 3.4 Secured Claims not Subject to Valuation of Collateral — Monthly Payment to be Disbursed by Trustee. (Check one.)

**☑ None.** *If "None"* is checked, the rest of § 3.4 need not be completed or reproduced.

□ The secured claims listed below are not subject to valuation under 11 U.S.C. § 506(a). These claims include, but are not limited to, claims: (a) incurred within 910 days before the petition date and secured by a purchase money security interest in a motor vehicle acquired for the personal use of the Debtor, or (b) incurred within 1 year of the petition date and secured by a purchase money security interest in any other thing of value; and (c) any other secured claim the Debtor proposes to pay in full. These claims will be paid in full, through the chapter 13 plan disbursements, with interest at the rate stated below. Unless otherwise ordered by the Court, the claim amount stated on a proof of claim filed before the filing deadline under Bankruptcy Rule 3002(c) controls over any contrary amount listed below. In the absence of a contrary timely filed proof of claim, the amounts stated below are controlling.

### **APPENDIX: Definitions.**

The following definitions are applicable to this Plan.

"AP Amt."	The amount the Debtor proposes to pay per month as pre-confirmation "adequate protection" payments in accordance with 11 U.S.C. § 1326(a)(1)(C) and Local Rule 3070-1(c).
"Administrative Guide"	The Administrative Guide to Practice and Procedure, a supplement to the Local Rules, which facilitates changes in practice and procedure before the Court without the necessity for revision to the Local Rules. The Administrative Guide may be found at the following Internet URL: <a href="http://www.nceb.uscourts.gov/sites/nceb/files/AdminGuide.pdf">http://www.nceb.uscourts.gov/sites/nceb/files/AdminGuide.pdf</a> . As used herein, the term refers to The Administrative Guide in effect as of the date of the filing of the debtor's petition.
"Applicable Commitment Period"	The mandated length of a Debtor's plan. Debtors whose annual median income is above the applicable state median income, must propose 60-month plans, and below median income debtors are not required to propose a repayment plan longer than 36 months. Either may propose a shorter plan only if the plan will repay 100% of all allowed claims in full in less than the "applicable commitment period." Below median income debtors may propose a plan longer than 36 months, but not longer than 60 months, if the Court finds cause to allow a plan longer than 36 months. See § 1.4, above.
"Arrears"	The total monetary amount necessary to cure all pre-petition defaults.
"Avoid"	The Debtor intends to avoid the lien of a creditor in accordance with 11 U.S.C. § 506(d) and In re Kidd, 161 B.R. 769 (Bankr. E.D.N.C. 1993).
"Bankruptcy Rules"	The Federal Rules of Bankruptcy Procedure.
"Claim" or "Claim Amount"	The estimated amount of the creditor's claim against the Debtor. Absent a sustained objection to claim, the total amount listed by a creditor as being owed on its timely filed proof of claim shall control over any amount listed by the Debtor in this plan.
Collateral"	Description of the real property or personal property securing each secured creditors' claim.
"Conduit"	The regular monthly mortgage payment that is to be made by the Trustee when a mortgage claim is proposed or required to be paid through the plan disbursements. ( <i>See</i> Local Rule 3070-2). The number of monthly "conduit" payments to be made by the Trustee will be equal to the number of monthly payments proposed under the plan.
"Court"	The United States Bankruptcy Court for the Eastern District of North Carolina.
"Cram Down"	The Debtor intends that the amount to be paid in satisfaction of a secured claim be determined by determining the "value" of the secured creditor's "collateral," or what the "collateral" is worth, under 11 U.S.C. §506(a) [which the Debtor asserts is the amount shown in § 3.3, under the chart column headed, "Value of Collateral"], and amortizing and paying such "value" at the interest rate proposed in the chart column headed, "Int. (%)," over the life of the Debtor's plan. Any remainder of the creditor's total "claim amount" is allowed and treated as an unsecured claim. See §§ 1.1, 3.3, and 7.1.
"Cure"	Whether the Debtor intends to pay the amount in "arrears" on any claim. With respect to a mortgage claim secured by the Debtor's principal residence, if the Debtor proposes a cure through a mortgage loan modification, such intention is indicated in § 3.1. Otherwise, mortgage "arrears" will be cured through the chapter 13 plan disbursements unless the Debtor indicates a different method to cure under § 3.1. With respect to other secured claims being paid directly by the Debtor or an unexpired lease or executory contract that the Debtor proposes to assume, if the Debtor intends to cure "arrears," these "arrears" will be cured through the Trustee's

With respect to "arrears" owed on a Domestic Support Obligation [defined in 11 U.S.C. § 101(14A) and addressed in § 4.4, below], these "arrears" will be cured through the Trustee's disbursements under and by the end of the confirmed plan.
"Debtor"	The individual or the married couple who filed this bankruptcy case, whose name or names are found at the top of the first page of this chapter 13 plan. The term "Debtor" as used in this plan includes both debtors if this case was filed by a married couple.
"Direct"	The Debtor proposes to make all post-petition payments on the obligation directly, after the timely filing of a claim by or for the creditor. Disbursements to creditors secured by a lien on the Debtor's principal residence are subject to the provisions of Local Rule 3070-2.
"Local Rules"	The Local Rules of Practice and Procedure of the United States Bankruptcy Court for the Eastern District of North Carolina, which may be found at the following Internet URL: <a href="http://www.nceb.uscourts.gov/sites/nceb/files/local-rules.pdf">http://www.nceb.uscourts.gov/sites/nceb/files/local-rules.pdf</a> .
"Interest" or "Int."	The interest rate, if any, at which the Debtor proposes to amortize and pay a claim. In the case of an "arrearage" claim, unless the plan specifically provides otherwise, the Debtor proposes to pay 0% interest on the portion of any claim that is in arrears.
"Monthly Payment" or "Mo. Pmt."	If paid through the Trustee's disbursements under a confirmed chapter 13 plan, the <u>estimated</u> amount of the monthly payment proposed to be made to the creditor. If used in reference to a Current Monthly Payment, the current monthly installment payment due from the Debtor to the creditor under the contract between the parties, including escrow amount, if any. If used with reference to an obligation that the Debtor proposes to pay directly to a creditor, the amount the Debtor shall continue paying each month pursuant to the contract between the Debtor and the creditor.
"Other"	The Debtor intends to make alternative <u>or additional provisions</u> regarding the proposed treatment of a claim, including the intention of the Debtor to pursue a mortgage modification.
"Other Secured Claims"	Any claim owed by the Debtor that is secured by property <u>other than</u> the Debtor's principal residence.
"§" or "§§"	This symbol refers to the numbered Section or Sections (if two are used) of the plan indicated next to the symbol or symbols; the Section numbers are found to the left of the part of the plan to which they refer.
"Surrender" or "Surr."	The Debtor intends to surrender the "Collateral" to the secured creditor(s) upon confirmation of the plan. Surrender of residential real property is addressed in § 3.1, and surrender of other "Collateral" is addressed in § 3.6.
"Trustee"	The chapter 13 standing trustee appointed by the Court to administer the Debtor's case.
"Value"	What the Debtor asserts is the market value of a secured creditor's "collateral," as determined under 11 U.S.C. § 506(a), and, therefore, the principal amount that must be amortized at the interest rate proposed and paid in full over the life of the Debtor's plan to satisfy in full the secured portion of a creditor's claim, consistent with the requirements of 11 U.S.C. §§1325(a)(5) and 1328.

The information included in this worksheet shows how the Debtor determined, based on information known to the debtor at the time the Debtor's chapter 13 petition was filed, the amount found in § 1.5 of the Debtor's plan that the Debtor projects would be paid to holders of allowed unsecured claims if the Debtor's bankruptcy estate were liquidated in a chapter 7 bankruptcy case. Under 11 U.S.C. §1325(a), the Bankruptcy Court must determine that at least this amount will be available for distribution to the holders of unsecured claims in this case for the Debtor's plan to be confirmed.
